CONVENTION
CENTER

THE TRAPEZOIDAL PIER

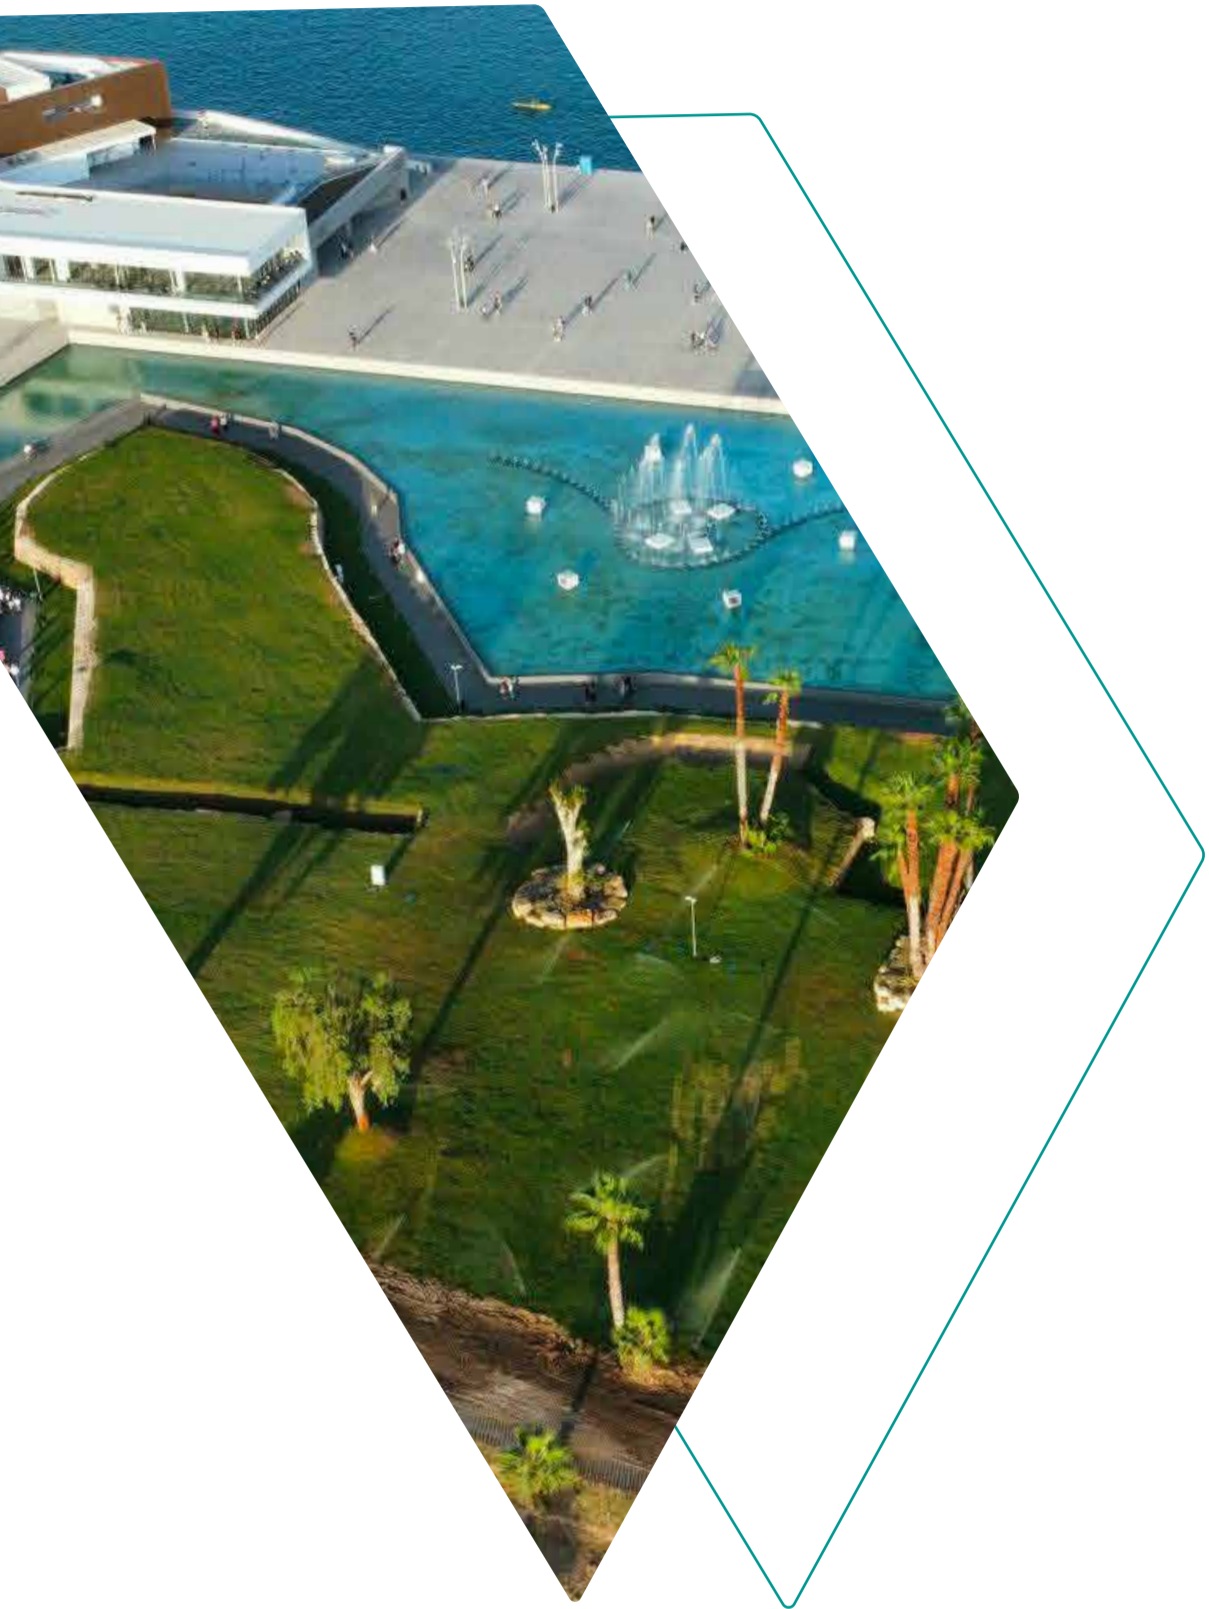

The Convention Center is located within Palermo's Trapezoidal Pier, just steps away from the Porto Fenicio and the historic city center.

An open space spanning over 26,000 square meters, this area has undergone one of the most significant urban regeneration projects in Palermo. It serves as a crucial link between the airport and the urban fabric, while also representing a key industrial and tourist asset.

Marina Bay is a dynamic, multi-purpose space featuring restaurants, commercial activities, a stunning fountain within an urban lake, a scenic theater, spacious parking areas, and berths for mega yachts.

MARINA CONVENTION CENTER

The Marina Convention Center is the ideal venue for all types of events. A location of great charm and elegance, it is surrounded by breathtaking views of the Gulf of Palermo and the majestic Monte Pellegrino, adding a touch of natural beauty to the landscape.

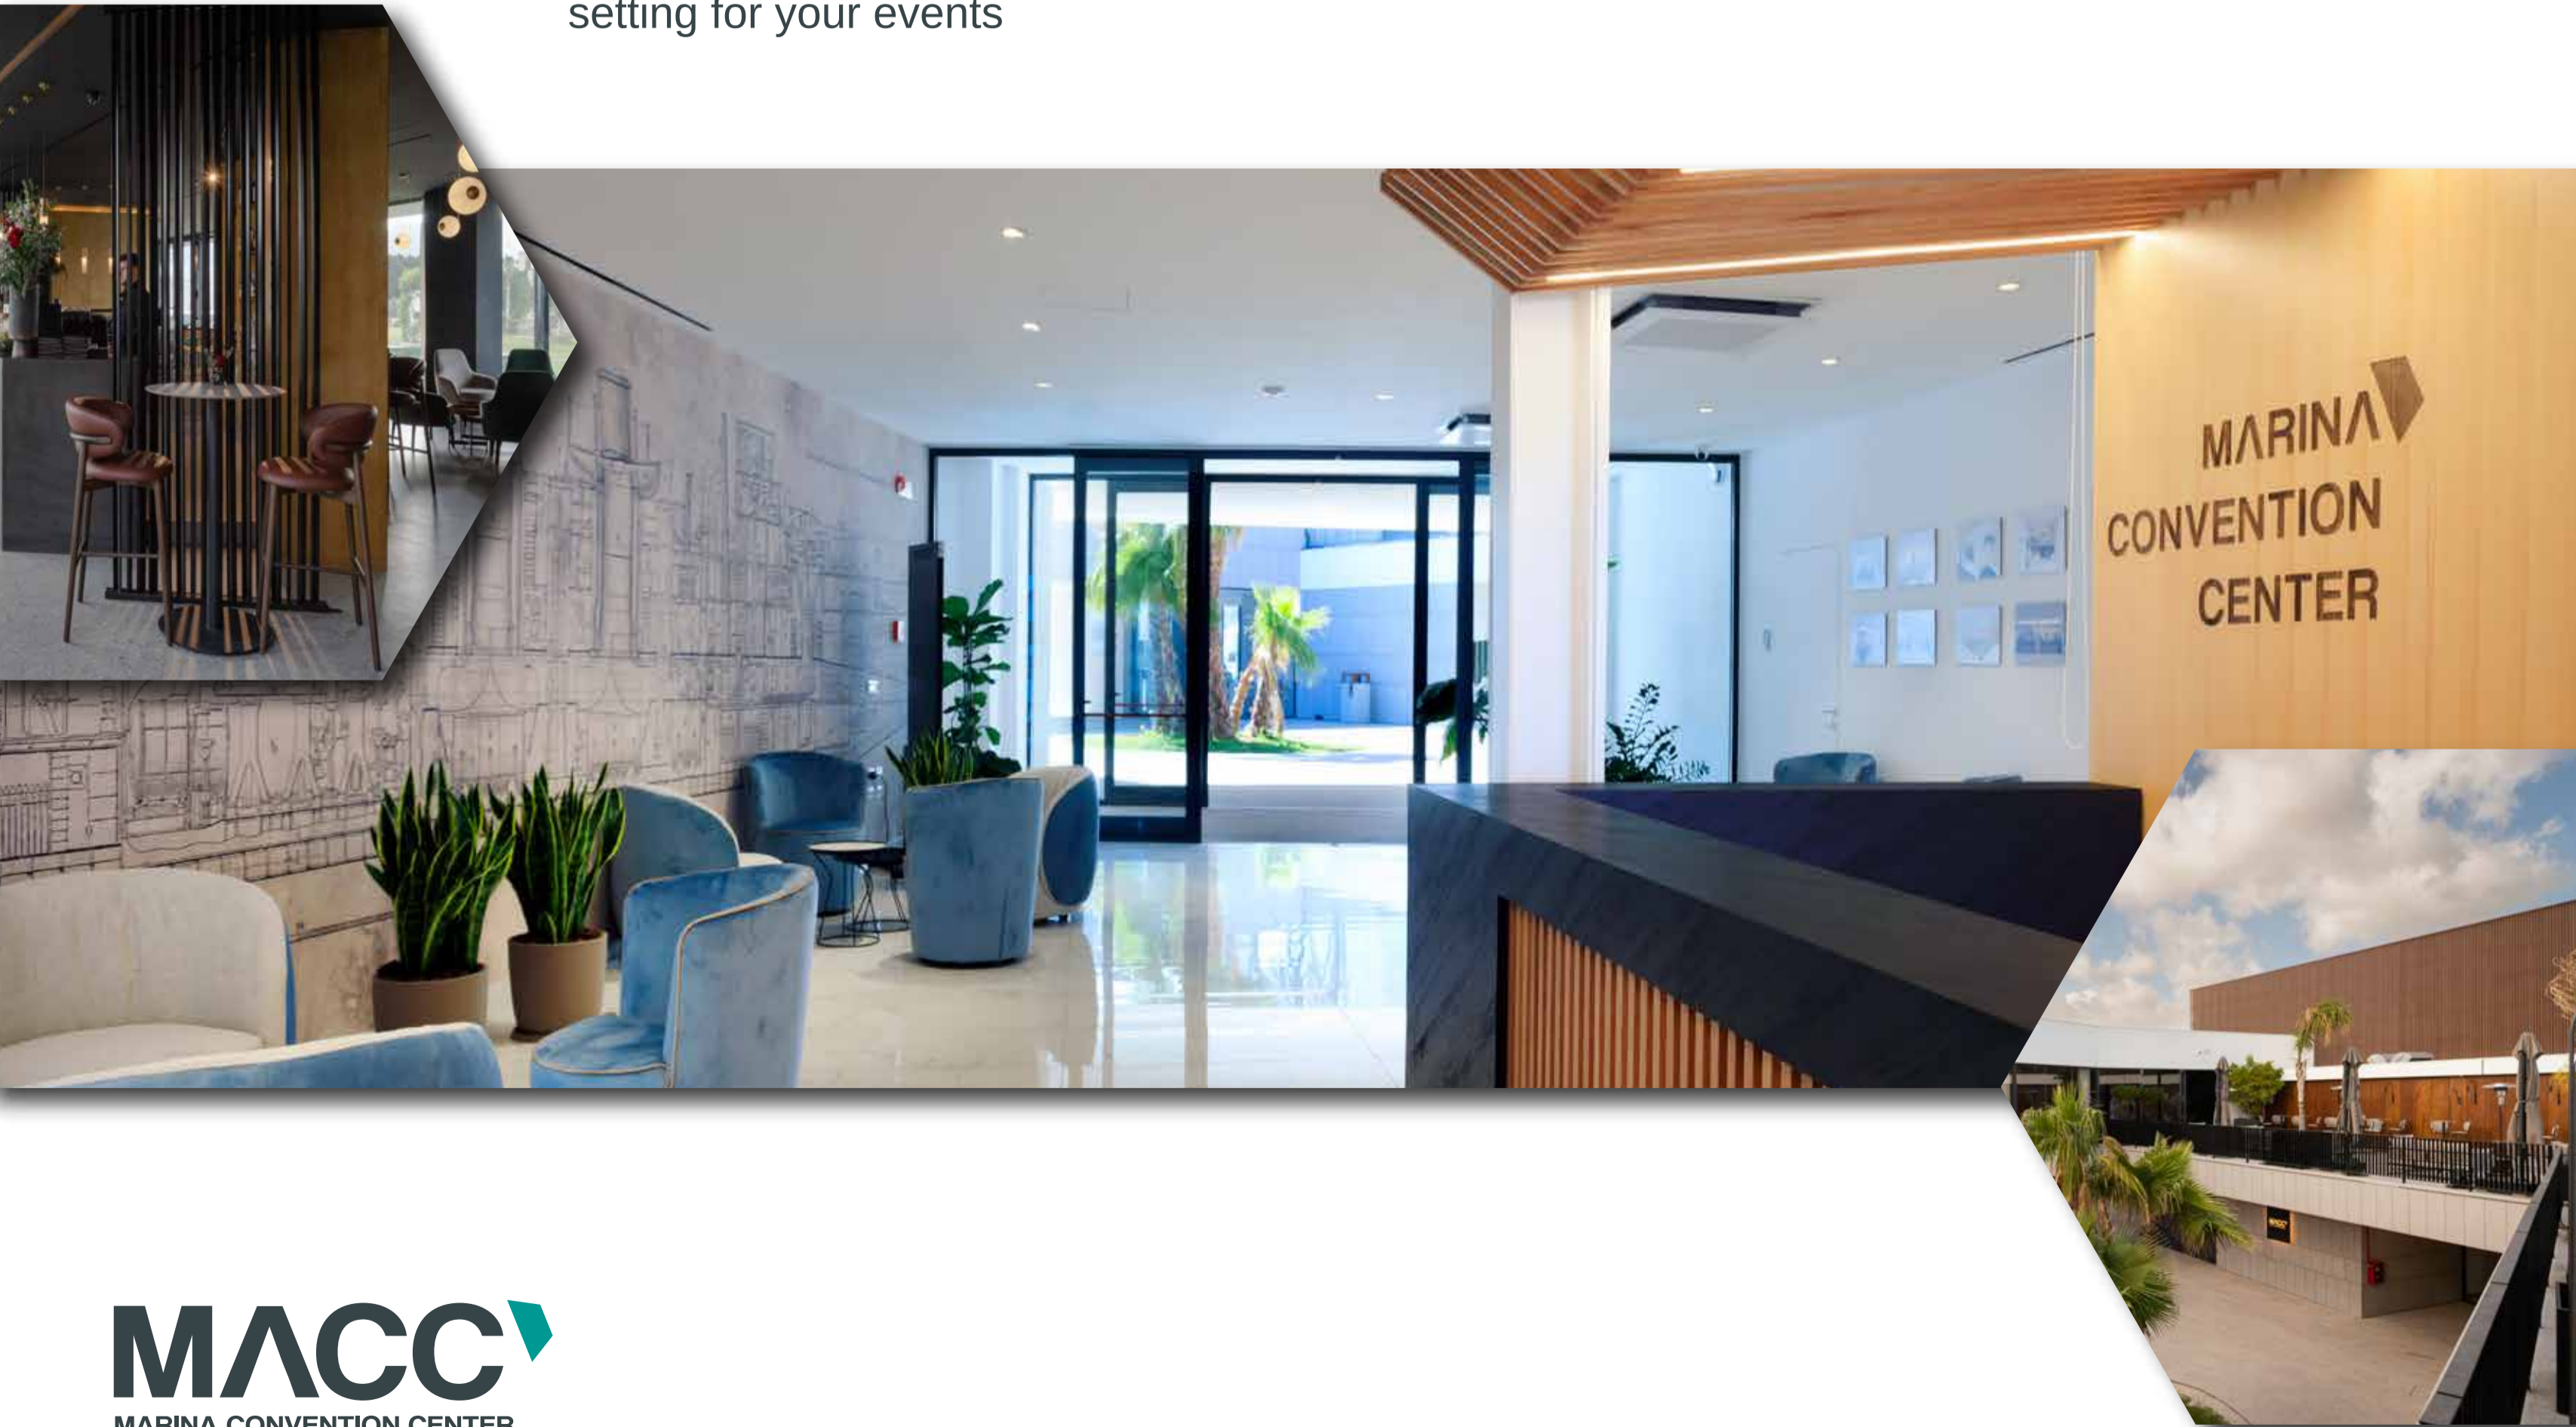

With its flexible structure, ample parking spaces, expansive outdoor areas, and state-of-the-art digital technologies, the center is perfectly suited for hosting a wide range of events and congresses at both national and international levels.

Each event benefits from adaptable layouts, thanks to a spacious plenary hall with a capacity of up to 250 seats, an elegant and contemporary design, two breakout rooms with 70 and 20 seats respectively, and large modular spaces that can be customized as needed. The Marina Convention Center is a place that inspires reflection and amazement, where visitors can experience a deep connection to history and timeless beauty.

MEETING SPACES

Events can be fully customized by utilizing meeting rooms and modular spaces, featuring natural light and removable seating.

Every corner of the venue has been thoughtfully designed to provide a unique and captivating setting for your events

250 SEATS THE MARINA MEETING ROOM

The Marina Room, enhanced by natural light and featuring sound-absorbing walls, a stage, and a state-of-the-art LED wall, offers seating for up to 250 people. Its versatile layout perfectly adapts to a wide range of organizational needs. The meeting room can also be used in a reduced or fully open configuration, allowing for customized setups and special arrangements.

70 SEATS THE LAGO MEETING ROOM

The Lago Meeting Room offers seating for up to 70 guests, making it ideal for meetings, corporate gatherings, management discussions, and scientific secretariats. Filled with natural light, the room is equipped with a projector and a retractable screen, allowing it to serve as a support space for the plenary hall and/or workshops as needed.

20 SEATS THE MONTE MEETING ROOM

Ideal for use as a Press Room, Meeting Room, or for round-table discussions, the Monte Room can be customized according to specific needs. If required, it can be arranged in a theater-style setup for up to 20 people, providing additional support to the plenary hall and/or workshops.

FOYER: a modular space for reception, exhibition areas, and social gatherings.

CATERING AREAS: to savor the delicacies of traditional cuisine or enjoy international dishes.
